Staying Safe at St. Andrew's

What do we mean by staying safe?

- Keeping me healthy
- Protecting my rights
- Making good progress
- Recognising risks and staying safe

How does St Andrews' keep me safe?

- Provides a safe environment
- Listens to me
- Advises me
- Keeps me happy

Staying safe online:

It is NEVER OK for anyone to hurt my feelings on my computer, games console or phone.

If I am worried then I should tell a trusted adult or report it on the CEOP website.

Remember, stay SMART.

Staying safe physically:

It is NEVER OK for anyone to hit, kick, bite or smack me, or to touch my private areas.

If I am worried then I should tell a trusted adult straight away or call Childline.

Remember, my body belongs to me, no-one else. Remember the PANTS rule.

Staying safe emotionally:

It is NEVER OK for anyone to call me names or make me feel bad about myself.

If I am worried then I should tell a trusted adult straight away or call NSPCC.

Remember, STOP bullying and speak up.

Need to talk?

Choose any trusted adult to talk to. If they are really worried about me, they might talk to Mrs Lorkins, Mrs Henson or Mrs Flack who can get me help.

It's not my fault?

It is NEVER my fault if someone is hurting me. I must tell a trusted adult because they could be hurting someone else too.
